Clauso vs African American Rookie Corr. Off. 1:20-cv-7056-RMB-JS

I filed these pro se lawsuit forms (2 forms) on June 6th 2020 as the 2 year deadline was approaching Aug 6th 2020. I am asking the court to combine the two case's into one, I put it on two packets because of two different prisons. Together they show a wanton disregard for the laws of the United States of America, together I can show the court if it will bear with, a pattern of abuse that the Constitution of the United States does not allow, my basic fundamental rights as a citizen of any social standing in the United States of America is garunteed, their uniforms say police officer of the State of New Jersey. But they drove me in a vehicle Not in accordance to the law of the road, punched me, stripped me, destroyed religouse book, threatened me with violence, and continue to do so up to the present. Its as if they are immortal, have such a wide range of immunity they can do what they want, to who ever they want, whenever they want. I'm locked up for two bags of Heroin .022 in ~~was~~ weight. None of this was in my plea bargian. With all do respect I ask the court to combine these matters and allow me to continue. Pleased

Thank You

Sincerely
Michael J. Clauso
